

DIRECTIONS:

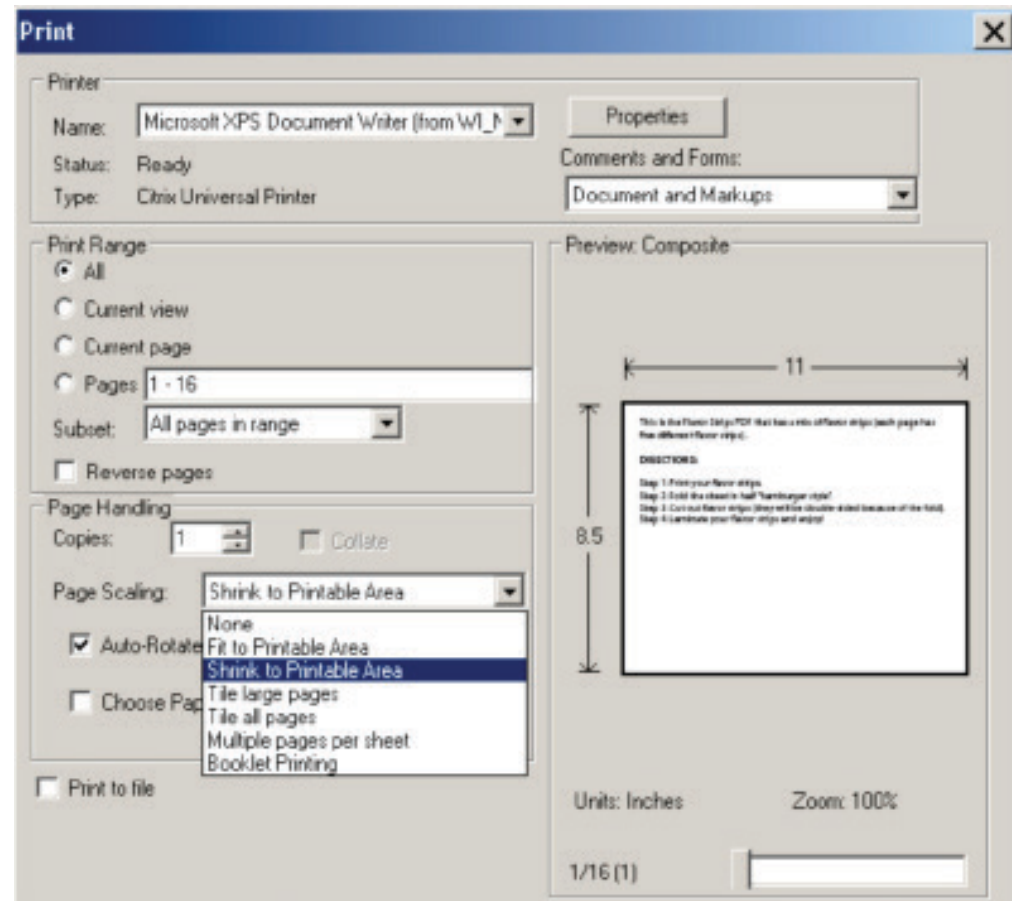

Step 1: Pick the flavor strip you need.

Step 2: Go to the page that has that flavor strip.

Step 3: **Print just that page.**

****Special note:**

When printing go to the page scaling setting and change it from “Shrink to Printable Area” to “None”.

Step 4: Cut out flavor strips, there will be two sides for each flavor strip.

Step 5: Fold the sheet in half “hamburger style” to make them double-sided.

Step 6: Laminate your flavor strips and display!
