Hershey's® Ice Cream has the largest variety of 4oz. insulated cups in the industry. We feature a wide range of regular, no fat, low fat, reduced fat no sugar added products, and yogurt. Plus, almost every one of our delicious 4oz. cups are made with gluten-free ingredients and no inclusions!

4oz. Insulated Cups:

- Perfect serving size and container!
- Wide variety of ice cream!
- Low fat yogurt – better for you.
- Ices – for re-hydration.
- Refreshing sherbet – low fat.
- Sugar free varieties
- Seasonal flavors – helps guests look forward to the change in seasons!
- Hershey's® unique insulated cups keeps product frozen and colder longer than plastic cups.
- Our cups have better insulation value for tray line service than paper or plastic cups.
- Reduces inventory and allows you to increase your flavor selection, which reduces menu fatigue and saves your facility money.

Let us weigh in ...

OUR PREMIUM AND PREMIUM GOLD LINES OUTWEIGH THE COMPETITION!

Our tubs are heavier due to having more product in every tub, not air like many of our competitors. This means more profit per tub for you.

Hershey's® can also supply your parties and special events with our 3 gallon tubs of ice cream!

We have ice cream for every budget. From our delicious Premium and Premium Gold to our economical Tally Ho Farms, we have you covered. With over 70 flavors to choose from, you'll be sure to find the right ice cream for your residents!
