## Give your students something to smile about with The Largest (and Tastiest) Selection of Smart Snack Items

**Hershey's Ice Cream is proud of our wide array of Smart Snack approved products. In fact, we proudly produce the largest number of products to benefit your school of any frozen dessert manufacturer in the U.S.**

With over 45 products to choose from, menu fatigue will never be a problem. Additionally, our wide range will ensure that you have products to please every student's or staff's needs. All of this means greater participation and profit for your school's bottom line.

Here are just a few of the many benefits of serving Hershey's Ice Cream Smart Snack dessert items in your school:

- **New items that are student centered, revenue driven.** We create products that taste better than any other manufacturer and are priced for profit. Our record of serving over 15,000 K-12 schools and millions of students, is a testament to the quality that you receive.
- **All items comply with Smart Snacks standards.** We're no stranger to the Smart Snacks Standards. We've been doing this from before Smart Snacks was even an initiative, and have used this experience to make products students want to buy everyday.
- **Clean label options available!** We are continually advancing our product line in ways to meet the needs and demands of today's families and students. We have carefully crafted products that no longer use HFCS, artificial colors or flavors. The size of our company, long history, and experience gives us the teams of people we need to be at the forefront of good taste and great selling products.
- **All items will create real smiles!** More smiles means happy students. Happy students are ones that will want to purchase our products everyday. We've had many schools tell us that their participation rates and revenue increased after they switched to Hershey's Ice Cream's Smart Snack products. Why not join them?

Meeting Smart Snacks guidelines with delicious products!

Great for your tray line or a la carte

## Allergen Policy

Hershey's Ice Cream is committed to producing the safest food possible, we utilize many tools to maintain this promise. Outlined in our Allergen Control Program, that is reviewed at least annually, we state procedures for the proper handling of allergens from receiving of raw ingredients, manufacturing of products, and finished product distribution. All employees are required to have continual training in all aspects of allergen handling. We focus on the major eight allergens (milk, eggs, soy, wheat, peanuts and tree-nuts: pecan, pistachio, walnut, hazelnut, cashews, almonds, and coconut) utilized in the facility that are clearly identified on each individual package.

Hershey's Ice Cream does not manufacture products on production lines that are dedicated solely to allergen or non-allergen containing products. We are committed to accurately manufacturing and labeling our products so consumers can easily determine if our products are suitable for their particular dietary needs and restrictions, providing our consumers with a safe product. Our production schedule is set to run one flavor per machine per day. On days where multiple flavors must be manufactured, flavors are arranged in an order to prevent one flavor from being contaminated with allergens present in the preceding flavor(s). Our packaging has a "Contains:" statement after the ingredient list, this statement clearly defines the allergen(s) being utilized in the particular product.

Upon completion of each production day, a dedicated crew disassembles the equipment, washes and sanitizes using validated cleaning procedures, and then reassembles the cleaned equipment for the following production day. Testing is performed by the Quality Assurance Department to verify the cleanliness before production can begin. Production operators perform a second sanitation step prior to producing products.

Hershey's Ice Cream is audited on our manufacturing processes and procedures, including our Allergen Control Program, by outside regulatory agencies including the Food and Drug Administration, quarterly audits by the Pennsylvania Department of Agriculture, and annual audits by the Public Health Activity Department of the U.S. Army. Hershey's Ice Cream also undergoes an independent 3rd party audit conducted by Merieux Nutrasciences LLC annually.

Best Regards,  
Tonia Watson-Elliott  
Director of Quality Mgmt & Compliance
